EXAM4 Exam4 Software

<http://www.extegrity.com>

Easy to use, cut down word processor

- Easy to use, cut down word processor
- Student use own laptops – download install from web (PC & Mac versions; no linux)
- Exam questions provided on paper as per normal
- Course team decides re spell check & other features
- Course team decides re saving to network, USB, local disc
- Student just signs in & picks course from list, no file names to enter
- Regular encrypted snapshots throughout exam
- Option for student to retain encrypted version of script
- Student decides re font size, timer settings
- Admin needs code to decrypt scripts
- Can print or mark digitally, whole or part scripts

What does it offer

- Our work has shown that giving students the choice does not influence the final mark
- Allows some students with a computer adjustment to no longer require this adjustment – main streaming
- Allows those students with preference to type to do so

Software accessibility

- Company been adding features:-
 - Simple word processor so is easy to use
 - Has spell checker
 - Has screen contrasts –
 - Black on White
 - Black on Grey
 - White on Black
 - Changed font to easier read font and made instructions clearer
- More to come..
