

Engaging students through innovative
assessment choice in the
*Currents: understanding and addressing
global challenges course*

Dr Andrew Cross, Impact Co-ordinator, School of Geosciences

Outline of session

14:30 Welcome and introductions

14:35 Presentation

14:55 Questions

15.00 Breakout groups

15:15 Share back in larger group

15:30 Finish

PLEASE NOTE We will record the presentation only, not the chat or breakout groups

The engage network is open to staff and students – You are ALL welcome

Breakout groups

- 1 If you are a **student**, have you experienced any assessments which really engaged you in learning? What were they?
If you are **staff**, what kinds of innovative assessment have you tried?
- 2 Having heard the presentation, what kinds of different approaches to assessment do you think might be worth trying?

Resources from today

We will post the recording and any slides or other resources from this session to the engage webpage – we try to do this within approx. 1-2 weeks
