

# How to find the IAD Resources for Tutors and Demonstrators on Learn

1. Log in to MyEd. In the menu on the left, click on Learn and then click on the Launch Learn button in the top right.

2. In the top left hand of Learn, click on the Self-Enrol tab. Then, either scroll down to IAD courses and find **IAD Resources for Tutoring and Demonstrating**, or search for it using the Browse Course Catalogue button.

3. When prompted, click the submit button to self-enrol.
4. Once enrolled the resources will appear automatically under My Learn. All of the resources are organised by the general themes of the IAD workshops for tutors and demonstrators, listed in the left hand menu. Click on the relevant theme or workshop to find full resources and slides from workshops.
