Consent and respecting confidentiality

- This session is being audio-recorded and released as a Teaching Matters podcast episode August 2019.
- Roving mics.
- If you **don't** want to be audio recorded, but you still want to ask a question, go to www.menti.com, use the code **91 79 97**, and type in your question.

Background

- Teaching Matters' Mini-Series: Lecture Recording (Oct - Dec '18)
- Evaluation research
- Offer a wider discussion around pedagogy of lecturing

On one hand, we are told we shouldn't 'just' lecture. Yet on the other hand, we are asked to now record our lectures as a priority.

This begs the question, what are lectures for??

THE UNIVERSITY *of* EDINBURGH

Welcome to our panel....

Richard Blythe, Reader, School of Physics and Astronomy

Heather McQueen, Senior Lecturer, School of Biology

Patrick Walsh, Director of Teaching, School of Biology

Megan Bishop, Student, MA Geography & Social Policy student
